UPDATE YOUR CHARMS ACCOUNT WITH ALL PERTINENT INFORMATION ASAP

The LaVergne Band uses the Charms group management software. If you have forgotten your login, please contact Mr. Callahan at callahanr@rcschools.net. Most of our contact will be via email through Charms, so we must have a valid email address for each student and a parent. Students should check email regularly since they will receive weekly updates with call times for each event. Please include all mobile numbers that should receive these updates.

SEASON CALENDAR AND ATTENDANCE POLICY

Everything is subject to change at any time. The calendar and attendance policy will be available online and will also be emailed and uploaded to Charms by mid-July. Call times for individual performances will be emailed on a weekly basis. Pay close attention to calendar (on the band app) events and call times as they may differ based on which section of the band you are in (Winds, Percussion or Guard). Please review the attendance policy and direct any questions to Mr. Callahan.

UNIFORM MEASUREMENTS and FITTING

All students will be fitted with their uniforms before or during band camp. Uniform accessories (blue wolverine band t-shirts, black crew socks, black shorts, black dinkles marching band shoes). We will be scheduling appointments and following all school district guidelines during fittings.

We need your help! The following explains what is needed in a typical season.

There are many opportunities to volunteer throughout the season. Some opportunities are below. We need your help to make sure the students have a fun, safe, and successful season.

- Chaperones/Truck Drivers –We normally have at least ten chaperones attend each game with the band. It is easy, fun, and you get in free. We need two truck drivers and two assistants for each away event as well.
- Pit Crew – We have a large front ensemble performing on the field. Parents are needed to help at halftime with moving their instruments on and off the field. You do not have to chaperone the entire game in order to be a Pit Crew member. You will come to the field a few minutes before half time and be assigned to an instrument. Pull the instruments onto the field, watch the show, pull them off the field and return to the stands for the rest of the game.
- Banquet – We are in need of a committee to plan our annual banquet in April.
- Photographers – If you like to take photos, please do so at all of our performances. We can also use photos taken during band camp. Photos will be used to create our annual slide show for the banquet.
- and MORE!

If you have any questions or would like to sign up to volunteer for one of the above positions, please feel free to contact us. We look forward to a great season with you and your child.
